The leave may be one half from their P1 account and one half from their P2 account. Donations shall be for unforeseen, traumatic illness or injury of the done employee. Such donations of personal leave are intended to be approved only in those cases where the employee who receives the donation of leave has run out of paid leave and has incurred an unexpected, serious illness or injury that requires a substantial absence from work. Such donations generally will not be approved for non-serious, routine or expected health-related absences from work including, but not limited to, minor sprains and breaks, colds and flu, scheduled medical, dental or other health care appointments, elective surgeries, pregnancy and childbirth (without complications), and chiropractic and other physical therapy. e. A request to donate leave to the credit of another employee's personal leave account will be approved if the designated employee recipient's own leave balances have been exhausted.

13.5 Extended Absence for Disability, Illness or Injury.

Upon application by an employee who has exhausted accrued personal leave, a leave of absence without pay may be granted by the Employer for disability because of illness or injury or other reason permitted by the Family & Medical Leave Acts. Subject to the requirements of the Acts, such leave shall be limited to one (1) month for each full year of service to a maximum of twenty-four (24) months, but no less than that required by law.

The Employer may periodically require that the employee submit a certificate from the attending physician or from a designated physician. If the certificate does not clearly show sufficient disability to preclude the employee from performing the employee's duties or if the employee does not provide the required certificate, the Employer may cancel the leave and require the employee to report to duty on a specified date.

13.6 Absence and Payment for Court Leave.

An employee who is called to serve as a juror or is subpoenaed as a witness during the employee's regular working hours shall be entitled to court leave with pay. Employees shall turn over to the Employer all jury and witness fees received from the court as compensation for service and in turn shall be paid their current salary while on court leave. Failure to do so shall result in a deduction of personal leave, or pay, from the Employee in half-day, or whole-day increments. Police Officers see page 27 A.7.

13.7 Non-War Military Duty Absence and Payment.

An employee who is required to report for a military physical examination is entitled to a leave of absence without loss of pay, time or performance rating. The leave of absence shall not exceed three (3) working days.

An employee who is a member of a reserve or auxiliary component of the United States Armed Forces is entitled to a leave of absence without loss of pay, time or performance rating without regard to other compensation earned during that period on all days during which the employee is ordered to training duty, as distinguished from active duty, with troops or at field exercises, or for instruction, or when under direct military control in the performance of a search and rescue mission. The leave of absence may not exceed sixteen and one-half (16-1/2) working days in any twelve (12) month period, beginning January 16 and ending January 15.

The Employer will make every reasonable effort to schedule the employee's day(s) off to enable

them to satisfy their military obligation.

13.8 Other Approved Absence.

Upon application to and approval by the Employer, an employee may be granted leave of absence without pay. Such leave shall not normally exceed twelve (12) continuous months. Continuous service credit shall not accrue during the period of leave. Said leave of absence shall not be unreasonably withheld.

Employees participating in organized federal, state or local-directed emergency operations shall continue to be in work status in their regular jobs. An employee who is temporarily incapable of performing assigned or required job duties will be released from the work site and, if necessary, returned to his or her residence by a fellow employee. Employees shall not receive pay for the hours of release.

18.4.5 Excessive use of alcohol off duty or off-duty use or involvement with illegal drugs that affects an employee's attendance, job performance or conduct may result in disciplinary action up to and including termination of employment.

18.4.6 Employees must, no later than five days after conviction, notify the Employer of such conviction(s) for criminal drug statute violations occurring in the workplace.

18.5 Employees with drug or alcohol-related problems are encouraged to voluntarily seek professional assistance in dealing with those problems. Employees who seek treatment shall discuss the situation with their supervisors if leave time, with or without pay, is required for the employee to obtain treatment or hospitalization. Supervisors are encouraged to grant leave, with or without pay (after all P1 and P2 and personal leave has been exhausted), for such requests. When leave without pay is involved, the employee shall provide a statement from the attending physician or counselor to the supervisor, stating that treatment is being received and describing the length of the treatment program. An employee's job security or promotional opportunities shall not be jeopardized by the employee's voluntary request for leave to obtain counseling or treatment where the employee is not already subject to disciplinary action for violation of the Employer's substance abuse rules.

ARTICLE 19 - NO STRIKE/NO LOCKOUT

19.1 During the life of this Agreement, neither the Union nor its members, agents, representatives, or employees, or persons acting in concert with them, shall directly or indirectly incite, encourage, or

participate in any strike, walk out, slow down, or other work stoppage of any nature whatsoever at the Employer's facilities or other work locations covered by this Agreement. Likewise, no employee covered by this Agreement shall engage in any sympathy strike, picketing, hand billing, walk out or sick out during their work time. In the event of any such prohibited strike, walk out, slow down, work stoppage, any other job action or effect thereof, the Union and its officers will do everything within their power to end or avert the same during the life of this Agreement.

19.2 Nothing herein shall be interpreted as requiring any employee covered by this Agreement (except Nome Police officers) to cross a primary picket line at any Nome Joint Utility System facility. Likewise, nothing herein shall be interpreted as prohibiting employees covered by this Agreement from engaging in picketing, hand billing or other lawful public protest during their non-working time, provided, however, a reason therefore may not be or arise out of a labor dispute with the City of Nome.

19.3 For its part, the Employer agrees not to lock out employees during the life of this Agreement.

ARTICLE 20 - GRIEVANCE AND ARBITRATION PROCEDURES

20.1 For purposes of this Agreement, a "grievance" is defined as a dispute between an employee or the Union and the Employer as to the interpretation, application, or violation of the terms of this Agreement, and shall be processed in accordance with this Article. Grievances must be presented as soon as practicable, but in no event later than thirty (30) calendar days after the occurrence on which the grievance is based. Failure to submit the grievance within such period shall constitute a bar to further action. The act or omission "occurs" on the date the employee or the Union has knowledge thereof, or with reasonable diligence should have had such knowledge.

20.2 There are two types of grievances which shall be processed as follows:

20.2.1 Employee Grievances. An aggrieved employee ("grievant") must present his grievance pursuant to the steps set forth in Section 20.4 below. In presenting his grievance, the grievant shall specify the section or sections of the contract in dispute and shall inform his immediate supervisor that a grievance is being presented.

20.2.2 Union Grievances. The Union may present its grievance in writing directly to the Employer at Step 3. This procedure shall not be used to circumvent Steps 1 and 2 in cases where the acts or omissions of the employee's immediate supervisor are in dispute in the grievance.

20.3 If a grievant does not process the grievance at any step within the time limits set forth in this Article or the Union does not invoke arbitration within the time frame set forth within the time frame set forth in this Article, and if this provision is not waived by mutual written agreement between the Employer and the Union, the grievance shall be deemed barred.

20.4 The following steps shall be followed for resolution of employee grievances. The employee shall have the right to Union representation at each step of the grievance procedure. Therefore, at each step the word "grievant" shall mean the employee presenting the grievance, the Union acting on his behalf, or both: If the grievant is a one week on and off or two weeks on and off, the grievance shall adjust accordingly.

Step 1. A grievance must first be taken up verbally by the grievant and his immediate supervisor.

No grievance shall be considered presented unless it is specifically identified as a "grievance" and is presented within the time permitted in Article 20.1.

Step 2. If no settlement is reached between the grievant and his immediate supervisor within seven (7) calendar days after presentment of the grievance to the immediate supervisor at Step 1, the grievant shall have seven (7) calendar days to reduce his grievance to writing on the negotiated grievance form (see Appendix E to this Agreement) and to present it to the immediate supervisor.

Step 3. If no settlement is reached by the grievant and his immediate supervisor within seven (7) calendar days after Step 2, the grievant shall have seven (7) calendar days to present the grievance to the City Manager. The City Manager may hold an informal hearing with the grievant, the shop steward or business agent and the employee's immediate supervisor if the City Manager believes that may be useful for resolution of the grievance.

Step 4. If no settlement is reached by the grievant and the City Manager within seven (7) calendar days after Step 3, the Union may demand arbitration. Such demand must be made by the Union within thirty (30) calendar days after the City Manager's decision.

20.5 If more than one grievant file the same or substantially similar grievances, they shall be consolidated and processed as one. One grievant, one employee representative and one business representative may be involved in any meetings with the Employer.

20.6 In the event that the Union demands arbitration of a grievance at Step 4, the parties shall have fourteen (14) calendar days to discuss the selection of an arbitrator. Should the parties fail to agree on an arbitrator within these fourteen (14) calendar day period, either party may request the U.S. Federal Mediation and Conciliation Service to provide a list of seven (7) qualified and approved arbitrators available in Alaska. Within fourteen (14) calendar days thereafter, the parties shall alternately strike one (1) name from the list of arbitrators until only one (1) name remains. That person shall serve as arbitrator unless he is unavailable, in which case the person whose name was stricken next to last shall serve, and so on, until an arbitrator is selected. The first strike shall be designated by coin toss.

20.7 A transcript of the arbitration hearing may be developed at the expense of the initiating party, unless agreed to be shared. Briefs may be submitted. The arbitrator shall render his decision within thirty (30) days after the hearing, or the receipt of briefs if either party wishes. The decision of the arbitrator shall be final and binding upon the parties, so long as it is consistent with this Agreement.

20.8 The arbitrator's function is to interpret the Agreement. The arbitrator shall consider only the particular issue(s) presented in writing by the Employer and the Union. The arbitrator shall have no authority or power to add to, delete from, disregard, or alter any of the provisions of this Agreement, but shall be authorized only to interpret the existing provisions of this Agreement as they may apply to the specific facts of the issue in dispute. The arbitrator shall have the power to return a grievant to employee status, with or without restoration of back pay, or to mitigate the penalty imposed by the Employer if the arbitrator concludes the penalty was too severe under all the facts and circumstances of the case.

20.9 If the Employer contends the grievance is time barred, that issue shall be resolved before the arbitrator hears facts or argument of the case on its merits. The arbitrator shall have the authority to rule on that issue immediately after the parties make their presentations.

20.10 Fees and expenses incident to the services of the arbitrator shall be borne entirely as designated by the arbitrator. The arbitrator shall assign such fees and expenses to the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's judgment is equitable. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other party.

ARTICLE 21 - GENERAL PROVISIONS

21.1 This Agreement shall be subject to all present and future applicable federal and state laws, executive orders of the President of the United States or the Governor of the State of Alaska, and rules and regulations of federal or state governmental authorities. Should any provisions become unlawful by virtue of the above, or by declaration of any court of competent jurisdiction, such actions shall not invalidate the entire Agreement. Any provisions of this Agreement not declared invalid shall remain in full force and effect through the life of this Agreement. Either party may seek resolution of disputes arising under this provision pursuant to Article 20, Grievance and Arbitration Procedures. If any provision of this Agreement is found to be unlawful, either party may request to negotiate a lawful replacement provision, and the parties shall convene within thirty (30) days for the purpose of negotiating a satisfactory replacement.

21.2 Any changes or amendments to this Agreement must be in writing and duly executed by the parties hereto.

21.3 This Agreement terminates all prior agreements and understandings and concludes all collective bargaining for the duration of this Agreement. If there is any conflict between the terms of this Agreement and any personnel memoranda, policies or ordinances, the terms of this Agreement shall supersede those memoranda, policies or ordinances in their application to this unit.

21.4 The parties hereto acknowledge that during the negotiations, which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties as to the exercise of that right and opportunity are set forth in this Agreement. All matters not covered by the language of this Agreement may be administered by the Employer in accordance with such policies and procedures as it from time to time shall determine.

21.5 All facilities operated by the Employer and the Nome Joint Utility System are designated non-smoking areas and shall be observed as such except in designated smoking areas.

ARTICLE 22 - DURATION

The hourly wages and longevity pay negotiated in this Agreement shall become effective at 12:01 a.m. on January 1, 2022 and shall continue in full force and effect through and including 11:59 p.m., December 31, 2024, and shall continue in full force and effect from year to year thereafter unless notice of desire to amend this Agreement is served by either party upon the other at least ninety (90) calendar days prior to the date of expiration. All other changes to the Collective Bargaining Agreement are effective the signing date of this agreement and shall continue in full force and effect through December 31, 2024. All employees in the bargaining unit will receive a onetime five hundred dollar (\$500.00), signing bonus

upon ratification.

If notice to amend is given, negotiations should commence within thirty (30) calendar days following the date of the notice, and this Agreement shall remain in effect until the terms of a new or amended Agreement are agreed upon; provided, however, that if a notice to amend is timely given, either party may at any time thereafter notify the other in writing of its desire to terminate this Agreement as of the date stated in the notice of termination, which dates shall not be earlier than the date of expiration, and shall be at least ten (10) calendar days subsequent to the giving of such notice to terminate.

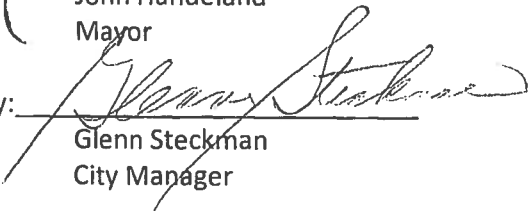

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of this 25 day of April, 2022.

The merit principle is the principle that the most qualified person has the most opportunity for employment reward and advancement.

D.3 PERFORMANCE STANDARDS

Delivery of municipal services in the most efficient, effective and courteous manner is of vital importance to the City and the Union. The identification of duties and expectations of employees is the corner stone of such services. The Union recognizes the City's right to establish a system of performance standards and acceptable performance levels to be utilized to measure the performance of each employee or group of employees.

If analysis of its operation by the Employer indicates contracting out is reasonably expected to result in a reduction in cost, increase efficiency in the delivery of services to the public, or otherwise benefit the Employer and the taxpayers of Nome, and it is reasonably expected to result in the displacement of any regular employee, the Employer shall first notify the Union in writing of the proposed action. The Employer shall provide the Union with copies of cost analyses, comparisons of employee vs. contract costs, or other documents on which the proposed action is based. The Union is invited and encouraged to meet and confer with the Employer at reasonable times regarding the proposed action, and no final action shall be taken by the Employer within thirty (30) days of its notice. If after consultation with the Union, the Employer adopts the plan to contract out the work, all affected employees shall be given thirty (30) days advance notice or full pay and benefits in lieu of thirty (30) days notice. The Employer will make reasonable efforts to assist displaced employees in being considered for employment with the contractor, or to transfer them to other available positions with the Employer for which they are qualified.

Nothing in this article shall prevent the Employer from continually analyzing its operations for the purpose of identifying cost saving opportunities.

b. Give employee(s) copy of impaired behavior report and/or a copy of the accident report indicating employee(s) involvement in the reportable on-the-job accident as per Section F.2 (a). Explain that because of the observation or report of employee's behavior, it is necessary to verify the employee's physical capability at that point in time. Ask the employee whether he/she is aware of any medical condition which may cause the behavior or if he/she has been taking any prescription or non-prescription medication which may impair safe and/or efficient job performance.

c. Complete a consent form. In each and every case, read the form to the employee prior to obtaining the employee's signature authorizing the exam/test and release of medical condition and any test results. No changes are to be made on the consent form. Both the observing witnesses shall complete the Impaired Behavior Report form. In completing the form, the witnesses shall be as accurate and detailed as possible, recording their observations of the employee's behavior which led to their decision to require an exam/test. The witnesses shall state what they actually observed, but refrain from making statements about possible causes of the behavior or making judgmental conclusions.

If the employee refuses to promptly take the exam/test or sign a consent form:

i. Make it clear to the employee that the request to sign the form and take the exam/test is a direct order.

ii. Ask the employee if he/she understands the order. (If the employee responds that he/she does not understand the order, explain your order again.)

iii. Explain to the employee that failure to comply with the order constitutes insubordination which will result in termination.

iv. Issue a second direct order to sign the form and take the exam/test.

v. If the employee refuses, inform the employee that he/she is terminated.

d. The employer shall arrange for transportation and accompany the employee to the exam/test site. Employer shall notify the Union that the employee is being transported for an exam/test, unless waived by the employee, and shall transport the employee to the exam/test site. Upon arrival, the Employer will complete the necessary laboratory form(s). The employee will be tested by laboratory personnel or physician. At the conclusion of the examination and test(s), Employer shall transport the employee in accordance with Section F.2 (c).

F.4 Type of Test:

- a. All alcohol testing to utilize the alcohol dehydrogenase method indicating impairment.
- b. Drug testing is to be initially conducted by the EMIT test. There shall be no blood testing.
- c. All positive EMIT/ADH tests will be verified by a GC/MS (Gas Chromatography/Mass Spectrophotometry) test. Disciplinary action against an employee may only be taken if the GC/MS is positive at a level exceeding the levels in the Federal Regulation issued by the Department of Health and Human Resources/Department of Transportation. Any changes in the Federal Regulations would be re-negotiated prior to inclusion.

F.5 Testing, Procedural Safeguards:

- a. The Employer and the Union will select the laboratory, and follow the testing procedures that will meet the DOT guidelines for testing and chain of custody and will provide quality control procedures, and assure the maximum in confidentiality.
- b. In the event of positive test results, the employee may request, within ten (10) days a sample of his/her urine specimen from the medical facility for the purpose of re-testing at a qualified drug testing laboratory. Chain of custody for this sample shall be maintained between management and the employee's designated qualified laboratory. Re-testing shall be performed at employee's expense. In the event of conflicting results, the employer may require a third (3rd) test. Should the results of this test be positive, the employee may be terminated. In the event of negative test results on the re-tests, the employer shall pay for the re-tests and any lost straight time wages or leave used.
- c. An employee shall have the right to use the grievance/arbitration system to challenge any aspect of the testing procedures.
- d. Any employee who successfully challenges a positive result shall be reimbursed for the costs associated with challenging the test.
- e. The Employer and the Union reserve the right to require additional safeguards that serve the best interest of the employee or the Program, subject to mutual agreement.

The Employer shall indemnify and hold the Union harmless against any and all claims, demands, suits or liabilities that may arise out of the Employer's application of the Substance Abuse Program.

The Substance Abuse Program shall be subject to annual review by a Labor/Management Committee.

F.6 Voluntary Rehabilitation:

Employees who voluntarily request assistance in dealing with personal substance abuse problems may request Family Medical Leave and may utilize personal leave, or leave without pay to participate in a rehabilitation program without jeopardizing their continued employment with the City, provided they stop all involvement with any and all such substances. Voluntary participation treatment programs will not prevent disciplinary action(s) for procedure violations that have already occurred.

At the conclusion of treatment, arrangements for drug screen follow-up testing will be made. Specific guidelines will be agreed upon by management, supervisors and the rehabilitated employee at the time the employee returns to work. Employees will be allowed only one voluntary or involuntary rehabilitation chance during their employment at the City.

F.7 Involuntary Rehabilitation:

Employees who test positive for alcohol and are determined by a substance abuse professional to be a "qualified individual with a disability" may be afforded the opportunity for involuntary rehabilitation.

If involuntary rehabilitation is offered, the employee must make and keep an appointment with a substance abuse professional within 10 days of notification of a positive alcohol test and notify the City of the date of such appointment. During this ten (10) day period, the employee will be suspended and placed on leave without pay. After the employee meets with the substance abuse professional and confirms that he/she has signed a Release of Information and has made a commitment to work cooperatively with the substance abuse professional, the City will hold the termination in abeyance pending successful completion of any and all treatment/recovery programs prescribed by the substance abuse professional and/or their referrals.

The terms and conditions will be incorporated in a Recovery Contract agreed upon by the employee and the substance abuse professional. The employee will be required to enter into a Treatment/Recovery Contract with the substance abuse professional for a period of time as specified by the substance abuse professional.

The employee must sign the standard Release of Information allowing the substance abuse professional to talk to the employee's supervisor about the employee's recovery program, his/her progress with the program, and whether successful completion of the program was accomplished.

The employee will remain suspended during the recovery period and will be placed in a personal LWOP status. The employee will be eligible for return to work to his/her, position after the successful completion of the substance abuse professional Treatment/Recovery Contract. To be eligible for reinstatement, the individual must provide documented proof to the substance abuse professional, and the substance abuse professional must confirm to the Employer that the individual has met all the conditions of the Treatment/Recovery Contract.

All costs of the treatment/recovery program will be borne by the employee or any insurance he/she may have. City insurance is available through a self-pay program for employees in a LWOP status.

Before returning to work after successful completion of the substance abuse professional programs, the employee will be required to enter into a Return to Work Contract with the City. The Return to Work Contract may run concurrently with the substance abuse professional Treatment/Recovery Contract. Failure to successfully complete the substance abuse professional Treatment/Recovery Contract or failure to successfully meet all the terms and conditions of the City's Return to Work Contract will be grounds for immediate termination.

F.8 Compliance with the Americans with Disabilities Act (ADA):

(Excerpts taken from the February 15, 1994 Federal Register (59 CFR 7311) for your reference. The Department referenced herein refers to the U.S. DOT. Employer refers to the City.)

The Americans with Disabilities Act of 1990 (ADA) does not, in any way, preclude or interfere with the employers' compliance with the Department's new or existing drug and alcohol testing regulations. However, Title I of ADA, which prohibits discrimination against a "qualified individual with a disability," may affect the personnel actions an employer may wish to take with respect to some individuals who test positive for drugs or alcohol, or otherwise violate the prohibitions of the Department's drug and alcohol rules.

The ADA specifically authorizes employers covered by DOT regulations to require their employees to comply with the standards established in those regulations, including complying with any rules that apply to employment in safety-sensitive positions as defined in the DOT regulations. Under the ADA, an employee is not viewed as "discriminating" for following the mandates of DOT drug and alcohol rules.

The ADA specifically provides that an employee or applicant who is currently engaging in the illegal use of drugs is not a "qualified individual with a disability." It is clear that an individual who has a positive test result on a DOT-mandated drug test is currently engaging in the illegal use of drugs. Therefore, under Title I, an employer may discharge or deny employment to an individual who has a positive result on a U.S.DOT-mandated drug test.

Unlike the situation with respect to current use of illegal drugs, the use of alcohol contrary to law, Federal regulation, or employer policy does not deprive an individual of status as a "qualified individual with a disability" that he or she would otherwise have under Title I. An individual is protected by Title I, however, only if the individual has a disability in the first place. While, as the EEOC noted in its Title I regulation "individuals disabled by alcoholism are afforded the same protections accorded other individuals with disabilities" (56 CFR 35752, July 26, 1991), not all individuals who use alcohol in violation of the law, Federal regulations or employer policy are "disabled by alcoholism."

Under Title I, an alcoholic or a person who no longer uses drugs illegally and is receiving treatment or who has been rehabilitated successfully may be a person with a disability and may be entitled to consideration of accommodation, if s/he is qualified to perform the essential functions of a job. However, an employer may discipline, discharge or deny employment to an alcoholic whose use of alcohol adversely affects job performance or conduct to the extent that s/he is not qualified. An employer may hold an employee who engages in illegal use of drugs or who is an alcoholic to the same qualification standards as other employees, even if the unsatisfactory performance or behavior is related to the drug use or alcoholism of the employee.

The ADA does not preclude an employer from disciplining or dismissing an employee who commits a violation of the employer's conduct and performance standards.
